PROCEEDINGS
DURING THE YEAR 1929

VOL. LXXV

The Council of the Somersetshire Archæological and Natural History Society desire that it should be distinctly understood that although the volume of PROCEEDINGS is published under their direction, they do not hold themselves in any way responsible for any statements or opinions expressed therein; the authors of the several papers and communications being alone responsible.

PREFACE

THANKS are due to Mr. F. H. Cripps-Day, not only for his paper on *Armour in Somerset Churches*, but also for the loan of six blocks which he had prepared specially for the purpose of illustrating it. The remaining fourteen blocks for the same paper were kindly lent by Messrs. G. Bell and Sons, Ltd., from Laking's *European Arms and Armour*, vol. v.

Thanks are also due to Dr. A. C. Fryer for the gift of Plate III,—the South Petherton effigy; to Lord Hylton for the block of Kilmersdon Manor-house; to Dr. Bulleid for the two blocks of the Peasedown St. John palstave; to Miss C. G. Powell for the illustration of her father, Mr. S. Powell; to the Society of Antiquaries for the plan of Glastonbury Abbey; and to Mr. A. de Navarro for the photograph of the Roman pewter bowl found at Meare.

It is with great regret that the Editorial Committee has to report the resignation of Dom Ethelbert Horne, who has been Hon. Editor of the *Proceedings* since 2 September 1925. Greater responsibilities have added to his work, and he has felt bound to resign the editorship after the issue of the present volume. The Committee and the whole Society owe him a great debt of gratitude for what he has done for the good of the Society.
