

of the Anglo-Saxon Cemetery at Camerton last August, and hopes to resume operations next month, after which a further paper will be published on the subject.

‘Mr. R. F. Parry has continued his work within the entrance of the caves at Cheddar (formerly Gough’s Cave), and has completed his digging in Soldier’s Cavern higher up the gorge.

‘Taunton Castle was visited during 1929 by 8,524 persons, including 1858 attendances from members, as against 8,866 persons in 1928 and 8,650 in 1927. The turnstile came into use on June 30th.’

The Very Rev. Dom ETHELBERT HORNE proposed the adoption of the Report, and explained the reason why it had been necessary to issue an Appeal to members and others, for the urgent repairs required to keep the Castle safe and watertight.

The Rt. Hon. HENRY HOBHOUSE seconded, and spoke on the preservation of our ancient buildings, monuments and earthworks, and the manner, he thought, in which the unnecessary disfigurement of the countryside could be prevented.

The adoption of the Report was carried unanimously.

Finances

Mr. A. E. EASTWOOD asked the meeting to adopt formally the Accounts of the Society for the year 1929, which had already been published in the *Proceedings*, vol. lxxv. This was accordingly done.

Special Appeal

Mr. EASTWOOD then moved the following resolution : ‘That this meeting, having heard further details with regard to urgent requirements at the Society’s headquarters, pledges itself to make every effort in its power to support the special Appeal which was sent out in June in the hope of being able to place the Castle and the County Museum in a state of thorough repair.’ He added that they wanted at least £2,500 to put the buildings in a proper condition.

The resolution was seconded by Mr. PHILIP STURDY and carried.
