

CURRENT VOLUNTEERING OPPORTUNITIES

The Norman Garden Project

If you fancy working out of doors in the centre of Taunton, why not join other volunteers carrying out garden clearance in preparation for the restoration work to be done on the garden walls and garden? We are a mixed ability, friendly group.

In the office

Wednesday is volunteer day in the SANHS office—can you spare a morning or an afternoon? Help is needed to support Louisa, the Office Manager with general office duties as well as with specific pieces of work such as preparing governance papers for binding.

Governance and charitable activities

Do you have experience of fund raising, investing or digital technology and social media? If so, what about volunteering as a SANHS trustee? Are you interested in local history, natural history, archaeology or historic buildings? Why not join one of the committees and help organise events and activities in a pastime that you are passionate about?

If you are interested in any of these volunteering opportunities or if you would like to find out more, please contact Louisa Gillett on 01823272429 or at office@sanhs.org Alternatively, complete and sign this form and return it to the SANHS office. Louisa will be in touch to invite you in for a coffee and informal chat to find out how you would like to get involved.
