PROCEEDINGS
DURING THE YEAR 1923.

VOL. LXIX.

The Council of the Somersetshire Archæological and Natural History Society desire that it should be distinctly understood that although the volume of PROCEEDINGS is published under their direction, they do not hold themselves in any way responsible for any statements or opinions expressed therein; the authors of the several papers and communications being alone responsible.

PREFACE.

THE present volume is rather smaller than its immediate predecessors: but necessary repairs to the Castle fabric, and House, and the still inadequate income of the Society necessitate strict economy.

We have again to thank Dr. A. C. Fryer for defraying the cost of the reproduction of the photographs for his paper on monumental effigies; the Hon. Mrs. Aubrey Herbert for providing the photograph of our late President; Mr. H. C. Charlewood for his drawings of Ham Hill antiquities; Mr. Lewis Loyd for the photograph of the Torr Steps; the Society for the Promotion of Roman Studies for the loan of the block of the Caratacus Stone; and Major-General and Mrs. W. du G. Gray for the compilation of the Index.

For the Editorial Committee,

G. W. SAUNDERS (*Chairman*).

H. ST. GEORGE GRAY (*sub-Editor*).
