

Somerset non-Parochial Registers

COPIED BY EDWARD DWELLY, F.S.A.SCOT.,

from Official Calendar now out-of-print.

Lists of non-Parochial Registers and Records in custody of the Registrar-General of Births, Deaths and Marriages, pursuant to 3 & 4 Vict. c. 92, and 21 Vict. c. 25. Eyre & Spottiswoode, 1859

REGISTERS marked * were received by the Registrar-General pursuant to Act 21 Vict. c. 25, from the Commissioners appointed in 1857. The Registers printed in *italics* received partial authentication only by the Commissioners, or are otherwise incomplete.

The Registers kept by the Society of Friends have also been deposited with the Registrar-General in Somerset House. The Friends have, however, a full index to all the entries contained in them, which may be consulted at the Society's offices, Euston Square, London, N.W. These indexes supply all the information required by the genealogical enquirer, but if a certificate from the original register is desired, it can be obtained at Somerset House. It is always best and most profitable to consult the Index first, for which the Society only makes a nominal charge.
