Numbers of up to five digits, with or without prefixes, refer to original 35mm slides kept by the Somerset Archaeological and Natural History Society, Somerset Heritage Centre, Brunel Way, Norton Fitzwarren, Taunton, TA2 6SF, nonlibrarian@sanhs.org, www.sanhs.org. (The prefix H is an abbreviation for Harome, and applies to slides numbered at Philip's home there after his retirement from the University of York. The prefix SH applies to a small collection of images of Sutton Hoo which is kept separately at the end of the main sequences.)

Numbers of six digits, commencing with 79, refer to images included in the York Digital Library at <http://dlib.york.ac.uk/yodl>.
