## PREFACE

---

As was the case last year, the volume of *Proceedings* is again late in publication. Although it has been unavoidable, we regret having kept our members waiting so long.

During the past winter, however, the Society has published and distributed to its members "A Short Index to the *Proceedings of the Society*", vols. 1-80 (1849-1934).

The thanks of the Society are due to those who have contributed to the Publication and Illustration Fund and to the Index Fund (a list of subscribers, down to 1 March 1937, is given on p. 13); to Mr. A. B. Connor for the Wells Cathedral brass rubbings and matrices to illustrate his sixth paper; to the Bath Branch of the Society for the loan of two blocks; to Dr. A. Bulleid, Mr. St. George Gray and Prior Ethelbert Horne for their photographs; and to *The Times* for permission to republish the obituary notice of Mr. R. Neville Grenville.

THE EDITORIAL COMMITTEE.
