PROCEEDINGS
DURING THE YEAR 1937

VOL. LXXXIII

The Council of the Somersetshire Archæological and Natural History Society desire that it should be distinctly understood that although the volume of PROCEEDINGS is published under their direction, they do not hold themselves in any way responsible for any statements or opinions expressed therein ; the authors of the several papers and communications being alone responsible.

P R E F A C E

It was hoped that Vol. lxxxiii of the *Proceedings* would be issued by April 1st ; however, some of the authors found themselves unable to send in their manuscript sufficiently soon to enable us to carry out our good intentions.

In future the Committee will find it necessary to insist that all manuscript be delivered in typescript. This will expedite publication and be of great assistance to the printers.

The thanks of the Society are due to those who have contributed to the Publication and Illustration Fund (a list of subscribers, down to 1 March 1938, is given on p. 24) ; to Mr. G. C. Druce for lending blocks and obtaining the loan of others from his friends ; to Dr. A. Bulleid for providing the whole of the blocks to illustrate the paper on the Burtle Sand Beds, written jointly by himself and Dr. Wilfrid Jackson ; to Mr. Roland Austin for arranging the loan of Mr. C. Wilfrid Scott-Giles' heraldic line-blocks for the paper (Appendix II) on Royal Arms in Somerset Churches ; to Mr. A. B. Connor for the Somerset brass-rubbings to illustrate his seventh paper ; to Mr. Ralph Griffin for providing three blocks for the last-named paper ; to the Very Rev. Prior Horne for one of the blocks illustrating his Camerton paper ; to the Bath Branch of the Society for the loan of a block ; and to the following for providing photographs and drawings ; Dr. A. Bulleid, Mr. St. George Gray, Prior Ethelbert Horne and Capt. G. P. Bowen.
