PROCEEDINGS  
DURING THE YEAR 1939

---

VOL. LXXXV

*The Council of the Somersetshire Archæological and Natural History Society desire that it should be distinctly understood that although the volume of PROCEEDINGS is published under their direction, they do not hold themselves in any way responsible for any statements or opinions expressed therein; the authors of the several papers and communications being alone responsible.*

---

It was hoped that Vol. LXXXV of the *Proceedings* would be published by 1 April ; but once again unforeseen circumstances have prevented us from carrying out our good intentions.

The volume contains the final instalment of *Members of Parliament for the County of Somerset*, Part VIII, by Miss S. W. Bates Harbin (Mrs. C. W. H. Rawlins). This may now be obtained as a separate volume, price 4s.

The thanks of the Society are due to Mr. A. B. Connor for the brass-rubbings to illustrate his ninth paper ; to Mr. St. George Gray for his photographs and his plan of the Burrow Mump excavations ; to Mr. L. V. Grinsell for the illustrations for his Mendip barrows paper ; to *Country Life* Ltd. for permission to use two illustrations for Mr. Connor's paper ; to the Society of Antiquaries for the privilege of using another illustration for the same paper ; and to the Director of the Liverpool Museums for leave to reproduce Plate XXI, fig. 2.
