Natural History Society  
**NATURAL HISTORY GROUP**

**Spring at Thurlbear Wood**  
11-00am-3pm Saturday 23<sup>rd</sup> April  
Meet at Thurlbear Wood  
ST274 212

Photo Simon Leach

Simon Leach will lead, to see spring flowers, early butterflies and spring migrant birds in this interesting wood, and on the adjacent limestone Quarrylands grassland.  
Bring own packed lunch.  
Uneven footpaths and slight slopes.
