The Desmond Williams Bequest

Grant Application Form

Objectives: The Williams Bequest was fund set up to support the publication of research on the vernacular architecture in and around Somerset.

Please assist us to make awards by giving as much information as possible, using the following headings where possible for guidance, and note that the loan of a manuscript will be requested.

1. Describe the topic of the work and how it relates to vernacular buildings in Somerset.
2. Title, Author, Subject, Background and Research Synopsis, Length and Illustrations
3. Does this work relate to other projects or written work that have been, or are being, undertaken?
4. Provide a full and feasible estimate of both income and expenditure for the overall project indicating which elements are to be covered by any SANHS grant. Note that the maximum grant likely to be offered will be about £2,000, so it is important to indicate how all the costs will be met in order to complete the project. VAT costs will only be paid where the project is run by an individual or small organisation that is unable to reclaim VAT.
5. A brief summary of any previous projects or publications.
6. Business plan: Details of printers consulted Quotes for printing and marketing Details of cover and illustrations, colour / black and white Sale price, discount structure and types of sales outlets Amount and purpose of possible profits
7. Note organisations responsible, sponsoring or associated with the work, and sources of other funds available or projected.
8. Any other comments.
9. Please indicate which of the following paper and electronic publications you aim to contribute to – please delete any that do not apply.
